Nadine, Marijke, & friend in Planet Hollywood bathroom!

When I look back to August, it seems like it was just a while ago when I came here. Everybody and Everything was new and now "I'm proud to be an American." My year here in Freeland will change my whole life. I had a great experience. I met a lot of awesome and nice people. So, now you want to tell me, that I have to go back home to live without those crazy things you guys do and have, for example: Homecoming, Prom, Dairy Queen, or just living the American way. I guess I will miss everytbing so much. I want to thank all of my crazy American friends, all teachers, friends at home, my Grandma and natural parents (who made this possible). Special thanks are going to my family, the Breasbois-for giving me the opportunity to stay here. Thank you for being there for me whenever I needed you. I love you and miss you.

What Do ya' think?

The school year I spent as a senior at Freeland High has been very different and exciting for me. The USA is the total opposite from Belgium, but it wasn't hard at all to adapt to the many additions the USA has. Now I'm talking about Subway, Taco Bell, Dairy Queen, & Burger King. I enjoyed traveling through the U.S. a lot because the scenery varies in almost every state. I especially loved NYC and Washington DC. School....well, was school, but I enjoyed it. There were so many different events that went on that were really awesome! Prom, Homecoming, Nobleman's, graduation..... I will always treasure the memories from going "Up North" with Uncle Tom and his family and all the fun I had with them.

I would like to thank Lynn Haley, my host family : Peter, Sue, and Nicholas Sulfridge, my teachers (who were all wonderful) and all my friends who have helped to make this year unforgettable! I also would like to thank my natural parents whose love and support were unlimited by giving me this chance of a lifetime. I'm going to miss this crazy land and my very crazy friends.

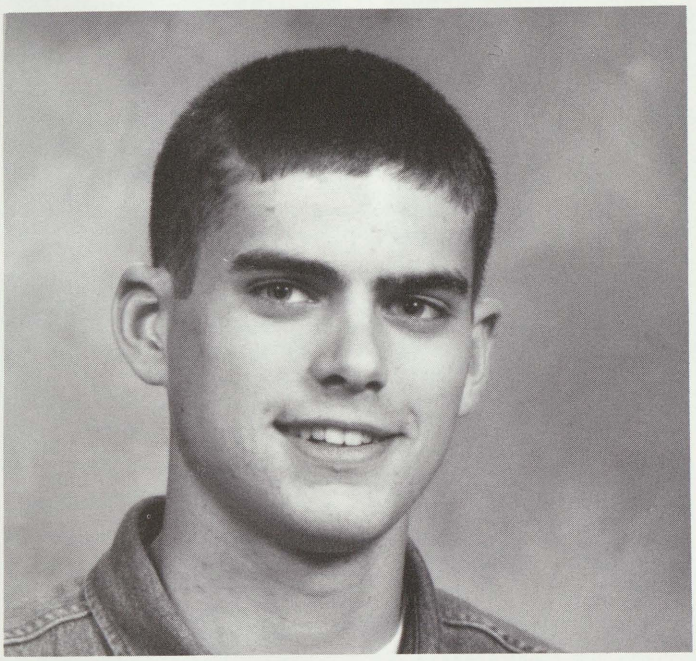
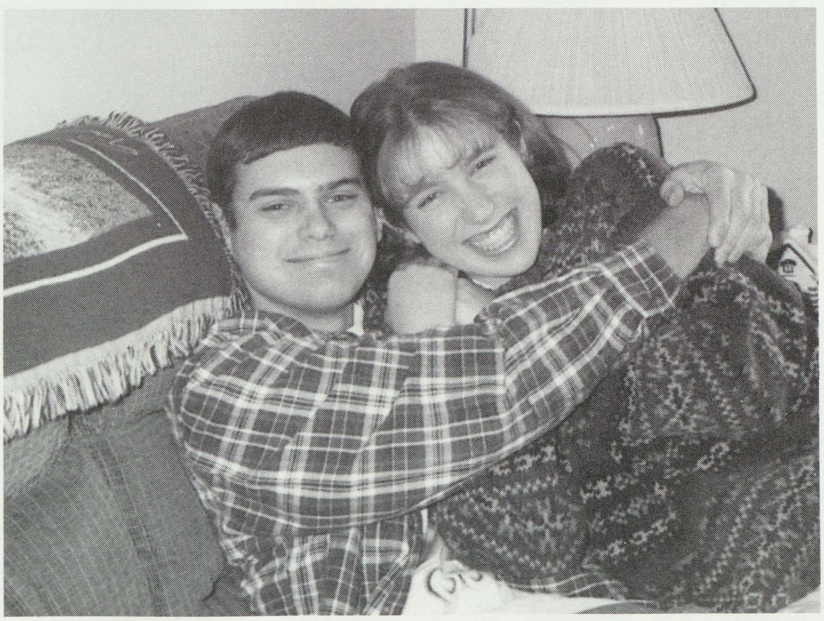
In Loving Memory



Ryan Steven Lamb

August 14, 1979 - December 30, 1997



"I'll lend you for a time a child of mine..." he said
"For you to love while he lives and mourn for when he's dead."
It may be six or seven years, or twenty-two or three.
But will you 'til I call him back, take care of him for me?
He'll bring his charms to gladden you, and shall his stay be brief
You'll have his lovely memories as solace for your grief.

"I cannot promise he will stay, since all on Earth return,"
But there are lessons taught down there I want this child to learn.
I've looked the wide world over in m search for teachers true
And from the throngs that crowd life's lanes, I have selected you.
now will you give him all your love nor think the labor vain,
Nor hate me when I come to call t take him back again?

I fancied that I heard him say:
"Dear Lord, thy will be done!"
For all the joy thy child shall bring the risk of grief we'll run.
We'll shelter him with tenderness, we'll love him while we may,
And for the happiness we've known Forever grateful stay:
but shall the angels call for him much sooner than we planned,
We"ll brave the bitter grief the comes and try to understand.

Symphonic Band makes it 20 years!

This year the Symphonic Band made history when they upheld the 20 year tradition of getting a First Division rating at the District Festival. No one will ever forget the sight reading performance and the judge, Mr. Vanderlindy. The band chose to go on to the State Festival where they rose to the challenge and played phenomenally, receiving another First Division rating. This year is one that will be remembered for a long time to come.

Hello Stew!

"Although it's been twenty years, I vividly remember the first time we received a First Division rating. The students had never been at the top before and the excitement expressed when the results were posted is still ringing in the halls of John Glenn High School.

Each year since then has been a challenge to see if we can achieve the same results - so far, so good."

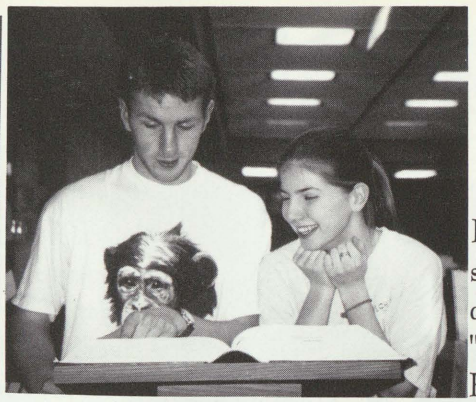
Drama



The spring productions this year were "The Empty Chair" and "Nothing for Granted" Both plays required lots of time and preperation so that they could portray a serious message abo drugs and AIDS to the audience. The cast of "The Empty Chair" was: Mandy Randall, Rochel Ferrell, Amber Buck, Leigh Ann Vaniman, Chr Damore, Elly Maxwell, and Terra Kutch. The Cast of "Nothing for Granted" consisted of: Jamie Noyes, Mickie Krish, Becky Stirrett, Michelle Bell, Shanna Sopcak, Laura Davies, Summers Mann, Jessica Karbowski, and Thac Bryant. Everyone had a great time working or the plays. We all became good friends and the seniors will be missed next year!

The casts of both plays worked very hard on the plays for many months, but we could not have done it without the help of Mrs. Miller. We all had a lot of fun and want to thank Mrs. Mille for everything she did.
